CEE	955	New	FA 19	X – conditional	Correction recommended in course description “and methods are”. Members questioned 16 unit max. grad credit, and the basis for grading. Some concern regarding a distortion in GPA if taken for that many units. *Conditional approval provided the department is able to offer the Chair and Betsy that information to look over prior to processing fully.	
NERS	570	New	FA 19		Curriculum committee members had several questions regarding this new course. Several questions were noted during the meeting, and will be communicated to the NERS department representative for further feedback. Course will need to be presented again when questions are able to be addressed.	X
