**Notes/Minutes**

1. Mar 12, 2019 meeting minutes: APPROVED. Uploaded to CC webpage: <http://cc.engin.umich.edu/home>
2. Discussed ChE's Electrical Engineering Concentration; Fred Terry noticed EECS 215 is a prereq to EECS 216; Susan Montgomery requested the topic be tabled for now, with the possibility of a future, updated request.
3. Discussed 998 Department CARFs; Kevin Pipe reported that the deletion of Rackham 998 was due to changes in Customs & Immigration requirements for international student visas; Kevin met with Mary-Ann Mycek, John Godfrey, and the University Office of the Registrar to discuss the issue; Kevin will meet with the International Center and discuss the changes with the Department Chairs to provide some general guidelines for course consistency.
