Will Hansen Presentation on CEE Concentrations

Will Hansen passed out information regarding CEE concentrations.

Discussion.

It was decided to table the vote on this until Will Hansen brings a revised proposal to the Committee.

Discussion Items

HU/SS Listings in LS&A Bulletin

Armin Troesch passed an e-mail from Jeanne Murabito regarding classes in the LS&A bulletin previously counted as HU/SS but now changed to no longer count, specifically a number of students that took ECON 401. It was decided that ECON 401 would not be exempted unless the student signed up for the course before the rules changed.

Demonstration on New CoE Curriculum Committee Website

Kathleen Vargo gave a demonstration on the new CoE Curriculum Committee Website. She is working on creating this website with John Lim, an Engineering student.. The website will be used as an archives for the CoE CC minutes, faculty members, etc. There will be links to other sites, including a link to the file maker pro data base. Jeanne Murabito will send the developmental site to the CoE CC members and they will Reply with comments and/or suggestions.

Adjournment: Motion to adjourn was made and seconded
 Motion carried (approved)
